

# The RAGER

Edition 6

April 2010

## CHAIRMAN' S REPORT

*“The difference between the impossible and the possible lies in a person's determination.”*

A big thank you to everyone involved in enabling the Official Opening to run so smoothly (especially the long suffering partners of those on the Committees).

Congratulations to the boys who were well behaved, attired and lent to the professional feel of the evening. Our special guests included the Parramatta Lord Mayor, CEO and Football Manager of Sydney FC, the CEO of Football NSW as well as a number of his senior team and our great group of sponsors. These special guests were very complimentary of what we have achieved so far this year and look forward to a long association with the club. Our even more special guests were the terrific Auburn FC juniors – the future Ragers - who gave us a great display of their talent.

As I mentioned on the night we have great camaraderie, hard work and energy in each of our teams. All this is being leveraged by our very positive and enthusiastic coaches and managers as well as the support of the broader Rage community. We started with some mixed results but as the season progresses the teams continue to bond and the skills further develop, we are growing from strength to strength. **Well done to all!!**

A very big thank-you to the Social team lead by Mel for a wonderful Trivia night on Saturday evening. It is great to see so many Rage families together (having a lot of fun) without a referee or linesman in sight. The growing team spirit is amazing to see and we look forward to watching this flow back out onto the pitch. As with all these events the proceeds will be reinvested into our boys and the club, so please get behind these events in the future.

Cheers  
Mark Southey

A big thanks to the 1<sup>st</sup> Graders who came down to Garside and assisted in training the U/13's on Monday night, it was great to see the enthusiasm from the boys.

Results in all age groups have been mixed; keep up the enthusiasm and effort and stay positive we still have a many games to go.

## **EQUIPMENT MANAGER**

Equipment and kit continue to be issued as it arrives. The most recent issue has been the tracksuits to all players. Please note that if either tracksuit pants or top require exchange, then the whole tracksuit must be returned before this can occur.
